Please use all the resources located on this homepage. As you **scroll down**, you will find your course description, information about your teacher, a class checklist containing favorite links, and a link to your course modules or units of study.

 **Your Course Description**

Your American Government class lasts 23 days. You will not need to come on-campus because all activities exist online. You have the freedom to choose when and where you work. However, your course does have set deadlines.

The class homepage will look like this

 **Your Checklist for Success**

 Your "Checklist for Success" includes a link to the orientation activities and access to our tech-support. Successful online learners form a daily habit of checking **announcements** for important course information, reviewing the **course calendar**, reading **inbox messages**, and **checking grades** daily.
